

• ST001/ GZT21 Scanning Target

- Black and White Circular Aluminium Target
- Flexible Tilt and Turn for Precise Orientation to the Scanner
- Suit for Swiss-Style Quick Release Adapter

Model No.:

ST001: Circular Planar OD80mm (3.1 in)
GZT21: Circular Planar OD115mm (4.5 in)

• ST002 Scanning Target

- Large Size Circular Target with Reflect Sheet
- Flexible Tilt and Turn for Precise Orientation to the Scanner
- Female 5/8"-11 Thread for Mounting on Target Poles or Magnetic Mounts
- Circular Planar OD152mm (6.0 in)

• ST003/ ST004 Scanning Target

- Black & White Circular Aluminium Target
- For use with HDS Scanner
- Equipped with Quick Release Adapter

Model No.:

ST003: Circular Target, OD100mm (3.9 in)
ST004: Squared Target, Size: 200 x 200mm

• HDS Scanning Target

- Black & White Circular Target
- Flexible Tilt and Turn for Precise Orientation to the Scanner
- Female 5/8"-11 Thread for Mounting on Target Poles or Magnetic Mounts
- Circular Planar OD152mm (6.0 in)

• Scanner Spheres

- Precision design, Allowable Deviation < 1.0mm
- Precision Design, Allowable Deviation < 0.5mm (Carbon Fiber)
- Special Adapter (Female Thread M8) for Mini Prism
- Includes Detachable Magnet Base (M8/20mm (0.8 in))

Model No.:

SS100S: Stainless Steel, OD100mm (3.93 in)
SS200S: Stainless Steel, OD200mm (7.87 in)
SS145P: Plastic (ABS), OD145mm (5.70 in)
SS100C: Carbon Fiber, OD100mm (3.93 in)
SS145C: Carbon Fiber, OD145mm (5.70 in)

• Extension Pole

- Extension Pole
- Male and Female 5/8"-11 Thread
- Height for Option: 10/15/20/25/30/35/40/50/60/80/100cm

Model No. Sample:

EPA25-10: Extension Pole, Aluminum, OD25mm, Height 10cm
EPA32-10: Extension Pole, Aluminum, OD32mm, Height 10cm
EPC25-10: Extension Pole, Carbon Fiber, OD25mm, Height 10cm
EPC32-10: Extension Pole, Carbon Fiber, OD32mm, Height 10cm
EPAH32-15/20: Extension Pole, Aluminum, with Height Level, OD32mm, Height 15/20cm. Height Lever Pulls Down and Stops at the 90 Degree on Horizontal Position

• Magnetic Mount Of Gns Antennas

- Flat Magnetic Mount Allows Setup on Flat Steel Surfaces.
- Male 5/8"-11 Stainless Steel Thread

Model No.:

SMM01: Single Magnetic Mount, OD100mm
TMM01: Triple Magnetic Mount, OD100mm

• Scanner Elevator Tripod

- Lightweight and High Durability
- Anti-slip Cover and Exchangeable Rubber Foot
- With 5/8" Adapter
- Head Diameter: 120mm
- Working Height: 700-1400mm

Model No.:

SET-30A: Aluminum Tube
SET-30C: Carbon Fiber Tube
